

CO-OP NEWS

Staff News

This month we are pleased to welcome Michelle Galloway back to the Co-op staff. Michelle is working part-time in the Post Office.

Kylie Coffey has joined our team in the Supermarket during February and we would like to wish her well for her time with us.

Chloe Smith has also joined our Supermarket staff, working after school and on Saturdays.

Applications have now closed for the positions that were available in our Hardware and Betta sections. From time to time positions do become available at the Co-op, both for junior and senior staff members. If you would like to register your interest in joining our team, please contact our office.

Community Support Programme

Each month we are able to provide organisations with vouchers through our Community Support Programme.

How does it work? The programme runs through our customer loyalty club. Members of the club are able to nominate a beneficiary to receive bonus points.

For every dollar that the club member spends on groceries, not only do they receive a loyalty point, a bonus point is given to their beneficiary. When a beneficiary (club, organisation, school etc) reaches 10,000 points, they receive a \$25 voucher from us.

This month we were able to provide vouchers to: Killarney Memorial Aged Care (x3), Emu Vale Hall Committee, Killarney State School (x2), Killarney Anglican Church, Killarney First Responders, Killarney Girls Brigade, Killarney Medical Building Trust, Killarney Lions Club and Killarney St Vincent de Paul.

If you have not yet nominated a beneficiary, please speak to staff at the checkouts.

Winners!

Congratulations to the weekly \$50 voucher winners during February: Diana Gustafson, Dawn Reis, Thomas Barnes and Carmel Lamb.

To enter the draw simply spend \$50 or more on groceries!

On Market Day you can get fantastic one day only specials, taste test new products and call in for a free sausage sizzle! We also give one lucky shopper back the value of their Market Day grocery shop! In February Rickie Williams was our lucky winner—next month it could be you!

Terrific Tuesday!

In the Supermarket, we think that Tuesdays are Terrific! Shopping with us on Tuesdays will earn you double loyalty points and give you access to great specials. Lunch deals are also available from the coffee shop every Tuesday, so come in and see what Tuesday's have to offer!

Buffalo Fly are still bad, so keep an eye on them and keep your 7in1 and 5in1 vaccinations and drenching programme up to date. For the pulse growers we are driving around checking crops for mirids, looper and heliothis etc as they can do damage very quickly.
