Staff News

Congratulations to Jamie Le Brocq from our Hardware / Electrical section on the birth of his second daughter Zahlia-Rose.

Friday the 10th April marks the end of an era for Killarney Co-op, when Bruce Goodwin heads off on pre-retirement leave. Bruce has been with the Co-op for 52 years (that is not a typo!!) - making him the longest serving staff member in Co-op history. We would like to wish Bruce and Jenelle every happiness in retirement.

Community Support

During the month \$25 vouchers were issued to Killarney First Responders (x2), Killarney Pink Ribbon, Killarney Memorial Aged Care (x2), Killarney State School, Killarney Lions Club, Killarney Swimming Club and Killarney Girls Brigade.

Winners

In March the \$50 weekly voucher winners were E.Schneider, S.Aldis, C.Graham, K.Weier and G.Hayden. To enter the draw simply spend \$50 or more on groceries.

Market Day

Don't forget Market Day is held on the Second Friday of every month. There are great one day only specials, a free sausage sizzle and the chance to win back the value of your groceries. Congratulations to last month's winner, Tracy Garven.

Service Station

With Winter approaching we have increased our stock of chainsaws to cater for most needs. Our range includes Rok, McCulloch, Echo and Oleo-Mac. Chainsaws start at \$118 for the basic handyman style saw, up to the professional range. We also stock an extensive range of accessories, chain sharpening tools, ready-made chains and much more. Be sure to call in.

The winner of our Biggest Yellow Belly Competition was Dan Cox, with a 52cm fish. Dan won a fishing rod and reel combo—congratulations! On the fishing front, our live worms have become very popular, with more and more people using them.

Public Holiday

We will be closed on Saturday 25th April for ANZAC day.

Betta Home Living

Stuck for cash? What if we told you that we could offer you a 50 inch smart TV for as little as \$2 per day, or any other electrical appliance that catches your fancy! Come see our friendly staff today about this special offer. We have a great range of electrical goods in stock at very competitive prices and we offer free delivery and installation of TVs, washing machines, fridges and more... now that's Betta!

Produce

April is here, Easter has been and gone—the year is just flying by! We still have good stocks of oats seed and also most lines. Pasture seed stocks are really good, plenty of rye, Lucerne and tropical grasses. Anyone with weaners, remember your drenching and vaccine program. Also if you have given them their 1st shot you must give them the booster. Your breeders must be given 7 in 1 every 12 months, plus their drench. For the grain growers, commodity prices are staying up, so this looks good for further down the track. ~Thomo
