## Your Co-op, your News! April 2018

### Staff News

Welcome to Robert Price (Produce), Michelle Watts (Admin) and Clare Shelton (Supermarket) who have joined our staff this month.

### Community Support Programme

Our community support programme continues to help local groups with the assistance of our customers.

How does it work? When you nominate a beneficiary every time you collect a loyalty point by shopping in our supermarket or service station a bonus point will go to your chosen club. When a beneficiary club gets 10,000 points they receive a \$25 voucher—it's that easy! If you have a loyalty tag and haven't nominated a beneficiary, please speak to the staff at the checkout to make your selection.

Last month we presented vouchers to:

\$25 - Killarney Girls Brigade, Killarney First Responders, Blue Care Warwick, Killarney Swimming Club, Killarney School P&C.

\$50 - Killarney Memorial Aged Care, Killarney State School.

### Weekly Winners

Every week one lucky shopper wins a \$50 voucher simply by shopping in our Supermarket!

Congratulations to our April winners: Lesley Peterson, Sandi Petersen, Leisa Holden, C McKinney and Elaine Mauch. On Market Day Elizabeth Lawson was our lucky customer, winning back the value of her groceries.

### Home Timber & Hardware

If you're feeling the cold and love to knit then come see us in the hardware for all your knitting and sewing supplies. We have an assortment of wool colours, needles, cotton, scissors and various other supplies all located near our gift-wear section.

If you prefer to buy your clothes ready made then check out our range of 'CAT' Clothing including jackets, jumpers, sock and beanie packs, T shirts, hats and more.

Keep your eye out for bargain paint prices as we are looking to sell out a small selection of over stocked, discontinued and mis-tinted paint colours selling at bargain basement prices to make way for new stock.

## Servo

With lawn mowing season just about over, now is a good time to consider our layby facility to buy a new mower ready for next season. Layby now and pay it off over the next few months or take up our 6 months interest free option.

Firewood season has begun with a great deal of interest in the Husqvarna 236E chainsaw. This saw is on special for \$249 (save \$150). Just like last year, stock is limited to start, so if you are in the market for a good bargain saw come and see us and grab one. Once stock runs out we may be able to get more, but we will be on a waiting list which could cause some delays. Redgum log splitters are also doing very well, with some very good feedback on units sold so far.

If you are looking for new chainsaw chains come and check out our range of pre-made chains. If we don't have one to suit your saw we can make one for you. Prices start from \$22.00.

### 24 Hour Fuel

The update to our outdoor payment terminal has been completed so customers should no longer experience issues with NAB or ANZ cards. If you have any problems please let Mario know and we will look into it.

## Produce

The weather is getting tougher by the day. There is just no sign of rain and Winter is not far away. The early planted oats are really struggling but are hanging on. This feed is going to be very important in June, July and August. Hay is very scarce so sorghum and corn stubble could become very important further down the track. With liquid supplements and blocks this feed can fill in a gap in your feeding program. There are good stocks of cottonseed, cottonseed meal, dry licks and liquid supplements available. We can look after all herd sizes.

The harvest has started, with beans, sorghum and maize coming off. Despite the tough conditions yields are fairly good and the commodity prices are very strong and firming. Grain prices will stay strong until there is wide range falls of rain for a Winter plant. We are grading barley and wheat seed, but only limited amounts. Everyone keep up the good work, the rural industry is a good place to be!! Come on rain!
