Neighbourhood Bags

The local Killarney QCWA have been very busy of late making reusable bags from recycled material. The bags are located in the foyer of the Supermarket and are available for any customer to use if they have forgotten their own reusable bags. Simply borrow the neighbourhood bag and then return next visit to the Co-op. A Very Special thank you to the QCWA for providing this service to the Co-op and our customers.

Produce

The weather is still very serious and not a lot of talk of any change. We just have to battle on.

For the cropping guys, we still have time for wheat and barley and we have the stock on hand when it does happen. Fertiliser stocks are good. We have plenty of urea for pre-plant Winter or Summer Crop.

Stockfeed is at a premium at the moment. Ring us about supply of custom mix, cottonseed, cottonseed meal, stubble, oaten hay and blocks. We have a good range of stock blocks on hand to suit all conditions and stock. Remember we have plenty of 7in1 and 5in1. Vaccines available for all size herds. It is very important to vaccinate all stock, not just for them, but also for you. If you need anything at all, just ring us and we will try and help you out.

CHEP PALLETS: Please return any pallets to us as soon as possible as we are running low.

KEEP UP THE GOOD WORK!!
