### Bank@Post

Did you know that you can withdraw and deposit cash at the Post Office from most banks, building societies and credit unions? Not sure whether your bank participates in Bank@Post? Come in and see us!

### Post Office Box Holders

One benefit of having a box is that you can collect at any time of the day or night. If you prefer to collect your mail as soon as it is ready we generally have all of the mail sorted by 10.30am. Don't forget that we now offer the free Mail2Day service, where you can get a notification when there is mail in your box, saving you a trip to the mailbox just to find it empty! Sign up is easy and in-store.

## PRODUCE NEWS

The rain has been great and everything is looking good for the season. For the crop guys we have plenty of in-crop sprays, both broadleaf grass and fungicides. The broadleaf weeds are really taking off, with shivery weed, buckwheat, turnip and marshmallow the main problems. We have good supplies of chemicals to handle these weeds and in different applications. Please give us a call and we can help you out with all your rates and application.

For the cattlemen, we have good stocks of all blocks, dry lick and liquid feeds. Look after your stock and they will look after you. Also, the lice are about so keep an eye out and see us for treatments.

## SERVICE STATION

With the mild Winter we are experiencing the grass is growing faster than expected. Make sure you are ready for the lawn-mowing season with all your equipment serviced and ready to go.

If you need a new mower or any other lawn maintenance equipment, take advantage of our interest-free finance facility or layby system.

We have just received a new range of UHF radios, crash cameras and much more into stock. This range of products could make great Christmas presents—layby today and you can have until Christmas to pay them off.

## HARDWARE

If you're in need of a Spring Clean, we have just the solution. We are clearing out selected items in our broom section to make way for a new look cleaning department with massive savings of up to 40% off. Hurry in to grab a bargain.

In our building materials section we now stock 6mm Duralux Fibre Cement along with our regular range of 4.5mm Fibre Cement sheeting in a variety of sizes to suit interior and exterior applications. See our staff for these products plus our other building materials such as framing timber, dressed pine mouldings, GP cement, Easy Mix concrete and more.

With great rain of late why not look at extra water storage? Until the end of August we are offering a 5000 Gallon Rapid Plus Water tank with a bonus ball valve delivered to your property for the great price of \$2,390.00 inc GST.
