Congratulations to **Alyx** and Nathan (and big brother Hudsyn) on the safe arrival of their baby girl Evie Iris!

Community Support

Killarney Cutters, KMAC, Killarney Show Society, Killarney State School, Killarney Girls Brigade, Killarney First Responders, Killarney School P&C, Killarney Swimming Club, Killarney Rural Fire Brigade and Killarney Anglican Church all benefited from our Community Support programme during July.

How does it work?

1. Our customers nominate who they would like to support.
2. Every time that customer shops and hands over their loyalty card they receive a loyalty point. Their chosen group will also receive a point.
3. When the group gets enough points we issue them with a \$25 voucher—it's that easy!

If you have not yet nominated a beneficiary for your bonus points please ask at the checkout. During the last financial year this programme returned over \$4,000.00 to local organisations.

Customer Loyalty Club

Are you getting the full value out of our customer loyalty club? In the last financial year we issued approximately 1,750 loyalty club vouchers, for a total value of just over \$40,000! Don't forget to keep your loyalty card with you and use it at the supermarket, coffee shop and service station to maximise your points. On Tuesdays, all purchases of groceries are eligible to receive double points—so that's 2 points for every \$1 spent on groceries.

Shopping online? Don't worry, you will still receive points (and double on Tuesdays). When you go to the online checkout simply enter your loyalty number when prompted. You won't have to do this every time, your card number will be saved on your online account.

Weekly Winners

We give away a \$50 voucher each and every week to one lucky supermarket customer. To enter, simply purchase \$50 or more of groceries. All entries are saved up for the entire year for our Supermarket Superdraw where this year winners will share in over \$6,000 worth of vouchers. During July our weekly \$50 winners were Milly Hancock, Jan Peterson, Margaret Fletcher, Christine Thompson and David Butcher.

Market Day

On the 2nd Friday every month we celebrate Market Day. During this special event we offer great one day only specials and host a free sausage sizzle. One lucky shopper also wins back the value of their market day grocery shop—the July lucky winner was Kylie Coffey.

Foodworks Online

Have you done it yet? Have you sat at home in front of the nice warm fire and done your grocery shopping with a coffee in hand?

Find out all about our convenient new service at killarney.myfoodworks.com.au/pages/faq We are still offering customers \$5 off their first order—to claim simply enter the coupon code 5OFF at checkout. For delivery customers we are currently offering free delivery (limited time only). The coupon code for free delivery is FREEDEL and can be used as many times as you like while the offer lasts.

Produce News

Where did July go? No—where did the year go! It will be Christmas before we know it. It has certainly come in a bit dry the last month and we could do with an inch of rain. With this dry the grain prices have been bumped up across the board, from Sorghum and Maize to Barley and Wheat. It doesn't look like slowing up until we get general rain across QLD and Northern NSW. All the crops are looking good, although needing moisture badly. Keep an eye out for fungal diseases and weed control, in wheat and barley and chick-peas. We have good stocks of herbicides and fungicides on hand so pop in and see us. The cattle market is falling back due to the dry weather and lesser quality cattle hitting the sales. They are worth looking after, so keep an eye out for lice and we will start treating worms coming into Spring. We have good stocks of drenches, vaccines and blocks on hand.
