ANNUAL MEETING

Shareholders-Save the Date

The Annual General Meeting of shareholders will be held at the Killarney Recreation Club, Willow Street Killarney on Thursday October 16th at 4pm sharp. Meeting notices will be posted out to shareholders later this month.

WESTPAC INSTORE

Play it your way with a Westpac Flexi Loan.

The Flexi Loan is a reusable personal loan with a variable rate. Whether you want to use it for travels, renovations, a wedding or a new car, you will only need to pay interest on the funds that you have used, not the whole amount of your loan. Some great features:

- Same day funds for existing customers, if approved.
- No fees for additional withdrawals, early repayment or early exit.
 - Variable interest rate.
 - Flexible repayment options.

If you are looking for a car, consider a Westpac Car loan. When your car is used as security, you could get a better interest rate. Call in and see Vanessa or Katrina in our Instore Branch to arrange an application today.

PRODUCE

Hey Troops! We received a little bit of RAIN. Not enough but it is a start and how things have responded!!

For the cropping guys, work out your summer crop seed requirements—some corn & sorghum varieties will RUN OUT. We have plenty of millet seed on hand and forage varieties but it is still a bit early. Spring Time is Drench Time. We have good stocks of pour-ons, injectables and orals on hand. Plus keep an eye out for ticks as there are a few getting around already and knocking calves about.

If anyone has been lucky enough to let their oats go to seed, let Thomo know. He will be looking for plenty of oats seed.
