

Community Support

KMAC, Killarney State School, Killarney Girls Brigade, Killarney First Responders, Killarney Uniting Church, Tannymorel Hall, Killarney St Vincent de Paul and Killarney Lions Club all benefited from our Community Support programme during August.

How does it work?

- 1 Our customers nominate who they would like to support.
- 2 Every time that customer shops and hands over their loyalty card they receive a loyalty point. Their chosen group will also receive a point.
- 3 When the group gets enough points we issue them with a \$25 voucher—it's that easy!

If you have not yet nominated a beneficiary for your bonus points please ask at the checkout.

Weekly Winners

We give away a \$50 voucher each and every week to one lucky supermarket customer. To enter, simply purchase \$50 or more of groceries. All entries are saved up for the entire year for our Supermarket Superdraw where this year winners will share in over \$6,000 worth of vouchers. During August our weekly \$50 winners were Roger Fraser, Chris Green, Karen McKay and Emma Muller.

Foodworks Online

Find out all about the convenient new service that our Foodworks store is offering by visiting killarney.myfoodworks.com.au/pages/faq We are still offering \$5 off your 1st order—to claim simply enter the coupon code 5OFF at checkout. For delivery customers we are currently offering free delivery. The coupon code for free delivery is FREEDEL and can be used as many times as you like.

Market Day

On the 2nd Friday every month we celebrate Market Day. During this special event we offer great one day only specials and host a free sausage sizzle. One lucky shopper also wins back the value of their market day grocery shop—the August lucky winner was Priscilla Collingridge.

A note from your local bloke

What have we done to deserve this weather!

It is becoming very serious, with rain needed desperately for both grazing and grain crops. The forecast for rain is not very good, we just have to hang on and wait.

Hay stocks of all varieties are getting low. If you require hay ring us as soon as possible and we will source something for you.

We have good stocks of blocks in all sizes, from salt based to molasses based, for all livestock in all conditions and country.

We are now making dry licks for stock, and we can make a brew to suit your needs. Available in bulk, 1t bags or 25kg bags. The level of urea is also added to suit individual needs.

For clients chasing prickly pear, box-thorn and lantana we have good stocks of chemical to control and clean them up. It is going to be an ongoing job, with most of our clients chasing weeds all year round.
