

Your Co-op, Your News—August 2018

Staff News

Happy retirement **Gordon Goodwin!** After starting his working life with the Co-op many moons ago, Gordon has been back with us for the past 8 years in the lead-up to his retirement. We would like to wish Gordon and Ann all the best for a long and happy retirement.

All the best to **Katrenea Ristuccia** and **Tahlia McPherson** who have left our Servo team. Thank you to all those who applied for our advertised servo position—we had a great response. The successful applicants will be introduced in our next newsletter.

Welcome to **Eli McKinney** who has started a casual position in our Hardware department.

Thommo's Talk

Well another month and still no rain! These few showers are just enough to tease us, but it shows it can still drop out of the sky. Things are still very tough on all fronts, and water could be a real concern. I think storm rain is all we can hope for at this stage. Thankyou for your patience with blocks and hay. We are doing our best to keep everyone going. We have clients who have barley and oats to cut for hay in a couple of weeks, so we will be sweating on that. We have good stocks of Forage Sorghum, Millets, Lab Lab and Cowpea available when we do get that rain. These products will be in large demand so work out your requirements and put your order in. We can hold it until the time is right. Seed stock from our suppliers are good now, but there is a huge area that will be planted so please don't miss out.

Don't be afraid to ask for drought assistance, there is help out there. Farmers are a very proud bunch!
