

# Co-op News

## Let's Celebrate 85 Years!

All shareholders and customers are invited to join us in celebration of 85 years of Killarney Co-op. The program of events is as follows:

### Monday 22nd October

9.30am—3.00pm Trade Fair  
10.00am Morning Tea and Cutting of the Cake

### Tuesday 23rd October

10.00am—2.00pm Sausage Sizzle

### Wednesday 24th October

8.00am Market Day commences  
10.00am—2.00pm Sausage Sizzle  
6.00pm Market Day and Celebrations close

Kerry Clifford Woolacott  
General Manager & Secretary 1980—2007

We bid farewell at the end of the month to Kerry Woolacott, who will be leaving on pre-retirement leave on 1 November 2007. Kerry has been at the Co-op for 38 years, 27 of these as General Manager. It is a testament to the success of the Co-op that there have been only 3 General Managers in the 85 year history. Staff will be having an informal farewell party for Kerry later in the month.

## Election of Directors

The successful candidates in the recent postal ballot for the election of directors are:

1. Kay Hancock
2. Rod Petersen

We would like to thank all candidates for showing their interest in the Co-op. The positions of Chairman and Deputy Chairman will be voted at the Directors meeting on Thursday October 18th.

## Shareholders

We urge all of our shareholders to ensure that they keep their details up to date! Every year we have annual reports and dividend cheques returned to us when shareholders move and do not advise us of their new addresses—please don't allow your name to be added to our list of missing shareholders. Dividends will be distributed in December.

# September 2007

## Service Station

When did you last check the tyre pressure of the spare tyre in your boot? This tyre is just as important as the ones that are on the road every day. Next time that you get fuel we can check tyre pressures for you. We are available for any tyre repairs and sales, and we can also check under the bonnet and top up oils, brake fluid and auto transmission fluid.

At the Servo, we carry the quality Valvoline and Fuchs range of oils and additives.

## Own more of your home sooner

With Westpac's award winning Premier Advantage Package, you'll receive 0.7% off selected variable rate home loans over \$250,000. You'll also receive a range of other banking benefits and discounts. Please feel free to visit our instore branch for more information on the Premier Advantage Package or for your general property loan needs.

## Staff News

Welcome back Katrina! [Katrina Hemmings](#) has completed her maternity leave, and will now be working every Friday and Saturday in the bank agency. Katrina will be job-sharing with Susan, and Vanessa has re-located to the main office.

## Co-op Bowls Day

We will be sponsoring a self-selected mixed triples bowls day on Saturday 20th October at the Killarney Bowls Club. Bowls starts at 4.30pm with a BBQ dinner between rounds. Nominations to Kerry at the Co-op or direct to the Killarney Bowls Club on 46641214.

## Daylight Savings

New South Wales will begin daylight savings later this month. We would like to remind our customers over the border that Killarney Co-op works on Queensland Time.

## Work Experience

Killarney Co-op are pleased to participate in local Work Experience program. We would like to thank all students who spent time with us "experiencing" work.

## Account Enquiries

Please direct all of your account enquiries to Verna in the bank agency. If you require help with a drought assistance claim, please see Anne in the Produce.

## Christmas 2007

Christmas is only 11 weeks away! Be prepared with our Christmas Savings Club. Deposit any amount at any time to watch your savings grow. Members will receive their statement of account at the end of the month, and will be able to start drawing their vouchers from 5th November

## Thrifty-Link Hardware

Outdoor furniture range in store now! Please come in and see our display. Layby facilities available. Range included tables, chairs, BBQ's, swing chairs, lounges and umbrellas.

## Betta Electrical

Summer is near! Don't let the heat beat you this year, call in and see our range of fans, evaporative coolers and air conditioners.
