

Solar Success

We would like to thank all those who supported our Solar night in January. The event was a great success with 90 people joining Killarney Co-op and The Solar Shop for tea and an information session. If you would like information about solar panels or solar farming please do not hesitate to call in and see the Produce Staff. We have information packs and brochures available, as well as inquiry forms. The Solar Shop team are more than happy to visit you personally and provide a free quote.
