OCTOBER 2014

Service Station

Christmas is fast approaching! If you need ideas for Christmas presents, don't forget to come and check out our increasing range of stock. From lawn mowers and chainsaws to fishing gear and hand held UHF units you are sure to find something for everyone. In our UHF range the most popular unit at present is the Uniden U480205. This unit has become very popular with our customers because it does not require hard wiring, it can be plugged in to a cigarette lighter socket for power and uses a small magnetic antenna to provide reception... makes a great gift!

Don't forget that if you purchase any fishing gear between now and Christmas you will go in the draw for some great prizes.

Fishing Competition

Between 1st December and 31st March we will be running a competition for the biggest yellowbelly of the season.

Monthly prizes, with a major prize at the end of the season.

Please call in and ask Mario, Candise or Richard for conditions of entry.

Produce

Same Old Story—No RAIN No RAIN

Looking for Hay & Stubble, we have good stocks of oaten, lucerne & barley stubble in Rounds and Big & Small Squares.

Cottonseed is available in trailer loads direct to farm or collect from us in bulk or 1 tonne bags.

Our feed trucks are busy, but we will help anyone out with bulk feed deliveries. We can supply Lamb Meal, Calf Meal, Weaner Mix, Cow & Bull Rations and Bullock Mixes.

If you need to feed grain we will help organise ROUGHAGE to go in conjunction with the grain.

I won't talk about seed & fertiliser, but we have plenty of stock on hand.

Shareholders

Thank you to those shareholders who came along to the Annual Meeting last month. At the meeting it was agreed that a **9% fully franked dividend** be paid on shares held as at 30th June 2014.

Dividends are due to be distributed in the first week of December. **Thank you** to the members of the QCWA Killarney Branch for catering at the AGM. Pictures below provided by John Towells.
