Staff News

Welcome to our new Supermarket Manager **Eden**. Eden joined us last month with vast supermarket experience and we wish her well in her new role. Please pop in and say hello to Eden when you are next in the store.

Also in the Supermarket, we have three new casual employees. **Jacob**, **Celine** and **Rheuban** have all joined us just in time for Christmas—all the best for your time with us.

Shareholders

Dividend payments are currently being sent out to all shareholders as at 30.06.2017. Please note that we are phasing out the use of cheques as a dividend option. Please contact our office to provide bank account details so that we can pay dividends direct into your account. Alternatively you may sign up for our dividend reinvestment program, where all dividends are paid as further Co-op shares.

Accounts

Please direct all account queries to Maddison in the office. Phone 0746641188 email accounts@killarneycoop.com. Our preferred payment method is direct to bank account BSB 034192 Account 000050—please ensure that you use your name or invoice number as reference on all payments.

Produce News

With patchy rain the 2017 Summer crop is off to a steady start, with many farmers in the region receiving little to no rainfall throughout November. Those fortunate enough to be under some moisture have taken full advantage, seeing good amounts of corn and sorghum seed being buried around Killarney. We just need more rain! Seed availability of most Summer crop varieties is still good so give us a call to discuss which type of Pioneer, Pacific Seeds or HSR maize, sorghum or forage seed suits you best. Unfortunately with the days warming up the buffalo fly are moving in. Not to worry, just pop in and see one of our experienced staff in the produce to help select which pouron or ear-tags will protect your herd the best. Whether it be fly, ticks or worms, we've got you covered.
