## Produce News

With the Summer storms rolling through, planting is in full swing and even though the window for planting some crops is closing, there are plenty of options still available. Pop in and see Thommo about the maize, sorghum, soya bean or mung bean variety that suits you best. We have also stocked up on Python, Maxima and Warrior insecticidal eartags with tick and fly numbers increasing in our region. The boys on the seed grader are flat out, so be sure to give us a ring in the produce to book a time slot for any grading you may require.

## Hardware

With Christmas and the New Year finished with, you may be considering a few DIY projects around the house or property. We have a variety of building and gardening products that could really add value to your home. We have 3 metre treated hardwood sleepers in stock, Easymix 30kg concrete, post mix and rapid set, along with 20kg GP cement. We also stock reinforcing mesh, farm gates, star posts and a large variety of fabricated fencing and wire netting. In our Nursery Section, we stock a variety of plants, seedlings, mulches and potting mixes to add those finishing touches.

## Thanks Santa!

Huge thank you to Santa for visiting the store and posing for photographs!
